Dear Jose and Bertha Rodriguez,

**1237 E 88TH ST, LOS ANGELES**  
**Assessor's ID#: 6043-014-028**

An inspection of the above-referenced subject property reveals that violations of the Los Angeles County Building Code (Title 26) exist as described on the attached Notice of Violation card.

Pursuant to Section 103.4 of Title 26, where property is determined to be in violation of any provision of Title 26, the Building Official may initiate proceedings to record a Notice of Violation against the subject property with the County Recorder's office.

Additionally, pursuant to Section 103.5 of Title 26, any persons that violate any provision of Title 26 shall be responsible for the costs of any and all code enforcement actions taken by the Building Official in response to such violations. Pursuant to Section 107.9 of Title 26, these costs may include (without limitation) the following:

- |    |   |                 |
|----|---|-----------------|
| 1. | For processing a 45-day notice pursuant to Section 103.4:                                   | <b>\$388.00</b> |
| 2. | For processing and recording a Notice of Violation pursuant to Section 103.4:               | <b>\$308.30</b> |
| 3. | For processing and recording a Rescission of Notice of Violation pursuant to Section 103.4: | <b>\$265.10</b> |

These fees are based on the current fee schedule and are subject to adjustment each fiscal year (July 1).

This notice is provided to allow you to abate (correct) the noted building code violations before the Building Official initiates proceedings to record a Notice of Violation and to avoid the assessment of any corresponding code enforcement fees to you.

If you have **not complied with all orders** by **December 30, 2006**, to commence and bring the subject property into code compliance, the Building Official will initiate proceedings to record a notice of violation and assess any corresponding code enforcement fees to you. Please be advised that, as part of the permit process, you may need to submit building plans for review and approval by the Building Official.

Any further information may be obtained by contacting the undersigned at 323-586-6541.

Very truly yours,

DONALD L. WOLFE
